

# Vision Leads Foundation

*"When vision is working well it guides and leads; when it does not, it interferes."*

*John Streff, OD, DOS, FCOVD, FAAO*

## Help us change someone's life!

The Vision Leads Foundation is a not-for-profit charitable corporation chartered in the state of Wisconsin for the purpose of accepting and administering charitable donations to improve the access of vision therapy for visual improvement and welfare of America's citizens. These donations will fund grants, scholarships, and programs to promote public awareness of the importance of optometric vision therapy.

### You can specify one or more of the following areas to benefit from your contribution:
